

Choose Life! is Making a Difference!

"I learned that all life is sacred and precious. I got to learn and appreciate my life, and the life of everyone around me."
Gabby, Gr. 6, St. Jude School

"I now know that abortion and euthanasia is very wrong, no matter the context."
Garret, Gr. 7, Sacred Heart of Jesus

"I learned about the gift and value of human life. Abortion is an unjust, wrong action that shouldn't be committed under any circumstance. Every human life has dignity. Also, I learned everyone has to practice chastity. I felt the Choose Life Program educated me beneficially."
Katelyn, Gr. 8, St. Rita

"I found this program very educational about life. After taking it, I would never even think of being Pro-Choice, and I would encourage others to always chose life." Gio, Gr. 8, Assumption
